**Dear parents,
Greetings**

In the academic year 2023-2024, the PA's will carry 40 marks and SA's will be of 80 marks each. There is no change in the pattern of question papers. This change will develop the habit of writing and prepare them to face examinations with much more confidence.

The syllabus and datesheet has been already shared with you. Kindly help your ward prepare accordingly.

**Warm Regards
BVPS Team**
